**An aerial view of Teddington Studios:-**

Warner Bros originally built these Studios in 1935 as a close copy of those at Burbank.

Teddington Studios is situated in Broom Road, which is just off Ferry Road. Enter Ferry Road at the junction of Twickenham Road, Kingston Road or Teddington High Street, the road then bends round to the right thus leading you into Broom Road. Teddington Studios is situated on the left-hand side.
